

**EXECUTIVE ORDER  
NUMBER FORTY-FIVE**

TO: HEADS OF ALL STATE DEPARTMENTS AND AGENCIES

RE: CREATING THE YOUTH RE-ENTRY EDUCATION TASK FORCE TO EXAMINE EDUCATIONAL OPPORTUNITIES OFFERED TO JUVENILES INVOLVED IN THE JUVENILE JUSTICE SYSTEM AND RETURNING TO THE COMMUNITY

WHEREAS, the State of Delaware has a compelling interest in ensuring that adults convicted of crimes, and juveniles adjudicated as delinquent, receive the services they need to become productive, law-abiding citizens; and

WHEREAS, youth entering the juvenile justice system are often struggling academically when they arrive; and

WHEREAS, although many juveniles placed in secure facilities thrive in an environment where they are offered structure, education, and medical care, they are often discharged back to families struggling with socio-economic, health, and emotional issues; and

WHEREAS, for the above reasons, juveniles returning from secure care facilities are at significant risk of underperforming when they return to traditional educational settings; and

WHEREAS, of 184 juveniles in state custody last year, only 11 returned to a traditional school setting, while 91 withdrew or failed to return to school and 42 were in alternative placements; and

WHEREAS, public safety is compromised when youth leaving juvenile detention centers or out-of-home placements do not receive appropriate educational support when they re-enter their communities; and

WHEREAS, a study of Delaware's educational opportunities for juveniles re-entering the community after leaving juvenile secure care settings can best be carried out through a bipartisan and multi-disciplinary task force that brings together stakeholders in the advancement of educational opportunities for Delaware's children and youth; and

WHEREAS, a task force can provide a deliberative and rigorous process to evaluate recommendations for legislative and policy changes that will benefit our State.
